

7 Days for the Earth

Seven days of education, discussion, workshops and earth-friendly activities, to honor and heal our planet

DAY 1 Saturday April 14, 2007

Venue: The Big Picture Theater and Café

3:00 pm - 5:00 pm Step It Up for the Mountains

Panel discussion on the mountains, and their significance to us ecologically, recreationally, spiritually, and culturally. Non-profits will discuss mountain-related concerns, carbon offsets for ski areas, and green initiatives.

Trained by Al Gore, Liz Soper will present the **Slide Show** from the movie *An Inconvenient Truth*. Community dialogue to follow.

Sponsored by the Stark Mountain Foundation, Green Mountain Club, The Mountain Institute, and National Wildlife Federation.

More info: www.stepitup2007.org/mrg

5:00 pm - **The Big Picture at the Big Picture** - Concerned about the planet? Want to tell lawmakers you think it is time to "Step it Up"? Come and be counted in the Mad River Valley's Step it Up photo!

5:30 pm - **Global Warming Chili Supper** at The Big Picture Café. Featuring local ingredients and plenty of heat.

7:00 pm - **The Great Warming** - film narrated by Alanis Morissette and Keanu Reeves. Called "*the best film about global warming ever shot*," the screening will be followed by a panel discussion with the Director and the Producer of the film, along with Middlebury College professor Jon Isham. (sponsored by Green Mountain Global Forum) See: www.gmgf.org
